PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from the Inspector General of Registration Madras, dated 27th September 1881, No. 629.

I enquired of the Registrar of the Godavari District whether the Sub-Registry offices at Pentapaud and Tuni whose receipts during the year 1880-81 aggregated Rs. 669 and 588 respectively, might not be placed in charge of special Registrars. He replied in the affirmative as regards Pentapaud, but said that there was no accommodation public or private available for a special officer, and that arrangements should be made for constructing a new office before a special officer is appointed.

2. I then asked the Collector of the district whether he concurred in the opinion expressed by the Registrar. His reply is merely

merely to the effect that no accom-
G. modation is available.

3. The desirability of placing Registration offices under special officers as soon as the offices are able to pay having been recognized and approved by the Government, I have the honor to recommend that sanction be given in the Public Works Department at once for the erection of a Sub Registry office at Pendapand.

Order thereon 5th October 1881, No. 2060.

Sanctioned, and communi-
-cated to the Public Works Depart-
-ment for the issue of the necessary
orders. (True Extract)
