Read the following paper:—

No. 58. From the Superintending Engineer, Third Circle, dated 1st October 1881, No. 1,098.

No. 59. ORDER THEREON, 15th October 1881, No. 2523 W.

THE revised estimate, amounting to Rs. 5,136, for constructing a Sub-Registrar's Office at Kumbakónam in the Tanjore District is sanctioned.

2. The excess of Rs. 556 over the original estimate of Rs. 4,580, sanctioned in G.O., No. 1341, dated 15th March 1878, is shown to be due to the omission in the latter of provision for plastering the inside of the rooms, and for a portion of the wood-work of the verandah, and also to the necessity for providing for stronger girders than those originally designed.

3. Rs. 2,833 were spent on the work in the past official year and Rs. 1,747 have been allotted to it in the current year. The Accountant-General will be instructed in the Financial Department to place the balance required, Rs. 556, at the disposal of the Public Works Department, from the Reserve of Rs. 50,000 alluded to in G.O., No. 2168,* dated 22nd November 1880.

*G.O. Public Works Department, No. 2895 W., dated 22nd November 1880.

4. This sanction has been registered as Provincial No. 82 W., of 1881-82; is classified as Civil Buildings Original Works, and cancels No. 305 B. of 1877-78.

Sir,

I have the honor to submit a revised Estimate of Rs 5,136 for constructing the Sub-Registrar's Office at Kumbakónam in the Tanjore Division.

Encl. 3.
1. Estimate
1. Comp. Statement.
1. Duplicate copy of abstract Estimate.

2. The original Estimate for this work was sanctioned in G.O. Nr 1311 W of 15th March 1878, and amounted to Rs 4,580; but as it was found defective in the following particulars the revised Estimate now forwarded had to be prepared:—

(1) The original Estimate provided only for pointing the interior of the walls, and as

this is unusual and would give a very unfinished effect and darken the rooms, it is proposed to plaster them.

(2) The girders as originally designed were considered to be too weak and were altered in section to give sufficient strength.

(3) In the original Estimate part of the wood work of the Verandah was omitted by oversight, and this has now been supplied.

3. A comparative Statement showing the difference between the original + revised Estimates is also herewith forwarded; this and the revised Estimate have been countersigned by the Inspector General of Registration.
