Supg Engineer's Office 2d Circle,
Coimbatore, 5th October/81.

No. 426

From The Supg Engineer
Second Circle

To The Chief Engineer
P.W.D.

Sir,

I have the honor to bring to your notice that on the work "Constructing a Waste Weir with Sand Sluice, Shilly Channel" in the Coimbatore Dn completed last year, the undermentioned surplus quantity of materials had been collected:-

	Rs:
86 C yds of Rough stone @ 8as —	43
16 C yds of split stones from rock @ 5 Rs: ———	80
	123

2. The materials were brought on to the stock accounts of the Division in July 1880 with a view to utilize them on some other work when

when necessary. But the Executive Engineer now reports that there are no prospects of so utilizing them, and requests sanction to their being written off the accounts. I therefore recommend that sanction may be granted accordingly.

I have the honor to be
Sir,
your most obedt. Servant.

W. M. Reed Major R.E.
Supt. Engineer 2nd Circle.
