No. 220

FROM
THE EXECUTIVE ENGINEER,

TO
THE SUPERINTENDING ENGINEER,

SIR,

I have the honor to inform you that a Sum of Rs. 50-11-0 is outstanding

Enclosure. 3.
3 Dis. Lists with Bills

in the Miscellaneous Advance Account Since 1878 The items, which is made up of the Sums noted in the margin, represents Famine Contingent charges included in the late Coimbatore Division Contingent Bills but disallowed by the Examiner from time to time. The late Accountant Mr. Dean stated that he overlooked to dispose of the matter and was not able even to produce either the Contingent bills or the Examiners Disallowance lists on them.

"	7-14-"
"	5-"-"
"	8-12-"
Rs	50-11-0

Upon

upon this I ordered a further search to be made for the documents in question amongst the records of this office, but as they were not traceable I applied to the Examiner for Copies of the Contingent bills and Disallowance lists thereon. That officer replied saying that the original bills could not be found even in his office, but furnished extracts from his Office Registers shewing the items of the Contingent bills referred to with the exception of one which he further states he has ordered to make search for.

2. It is observed from the Copies of the Contingent bills and Disallowance Lists now furnished, that the Examiner requires the Special Sanction of Government to the 3 items of Rs 12-4-, 14-10-6, and Rs 7-14-0 charges incurred on account of tappal Coolies.

As out of the Flamine Contingent bill for March 1878 amounting to Rs 16-13-0 only Rs 14-10-6 appears to have been disallowed and the balance Rs 2-2-6 duly audited by the Examiner; why the latter sum was not adjusted is not known. I have made a reference to the Examiner on the latter subject for instructions as to how to deal in the matter and will adjust as necessary.

3. Under the above circumstances I beg to forward the Disallowance Lists with my disposals upon them and request you will be good enough to obtain the necessary Sanctions to the items above referred to, to enable an early adjustment being made of them.

I have the honor to be
Sir,
Your most obedt Servant

No. 423

Submitted to the Chief Engineer D.P.D with a request that sanction of Govt. may be obtained to the charges in question to enable the Examiner to audit the same-
