I have the honor to forward herewith the Return called for in C. O. No 2203 W dated the 6th September 1881, and to explain that the delay was unavoidable as an abstract had first to be made of the very numerous articles purchased in the two years 1879. 81 by reference to the supplier's Bills for that period and then the materials had to be classified as shewn.

I have the honor to be,

Sir,
