No. 102. Endorsement of the Acting Secretary to Government in the Military Department, dated 13th October 1881, No. 5422.

From Brigadier-General H. O'CONNELL, Quartermaster-General, to the Acting Secretary to Government, Military Department, dated Bangalore, 8th October 1881, No. 1397.

With reference to the orders of Government as per margin, I have the honor, by G.O., Public Works Department, 28th April 1881, No. 1111 W. order, to solicit sanction for the demolition of a cart-shed and wood-godown at Trichinopoly, which are no longer required.

2. These sheds are attached to the old British Infantry Barracks at Trichinopoly and were used when those barracks were occupied as an Ordnance Depot. The Ordnance Depot has been withdrawn and there is no longer any use for this cart-shed and wood-godown.

3. If the buildings are to be maintained it will be necessary to expend Rs. 1,480 to repair them. The Executive Engineer estimates the present value of the buildings at Rs. 500. It would be a waste of public money to repair the buildings.

4. A sketch plan showing the position of the buildings is enclosed. The old tiled and bomb-proof barracks are at present temporarily occupied by the 30th Regiment Native Infantry, who have no lines.

APPROVED and transferred to the Public Works Department for the necessary action.
