Read the following paper:—

No. 111. Endorsement of the Chief Secretary to Government, Marine Department, dated 26th September 1881, No. 1,607.

From J. H. TAYLOR, Esq., Lieutenant, R.N.R., Master Attendant, Administrative Department, to the Chief Secretary to Government, Marine Department, dated Madras, 21st September 1881, No. 8,226.

I HAVE the honor to forward the papers as per margin, relative to an estimate amounting to Rs. (3,900) three thousand and nine hundred, forwarded by the Collector of Tanjore, for removing silt in the Koraiyar river, which connects the port of Mutupet with the sea. He states that considerable obstruction is caused to the trade from the accumulation of silt in the river, and as Mutupet is an important port, second only to Negapatam, he considers it absolutely necessary to keep the river free for the progress of trade.

From the Collector of Tanjore, No. 3,232, dated 14th June 1881.
From the Acting Sub-Collector of Tanjore, No. 408, dated 4th June 1881.
From the Executive Engineer, Negapatam Division, No. 2,409, dated 25th May 1881.
Description of work, dated 10th May 1881.
Report accompanying estimate, dated 10th May 1881.
Specification, dated 10th May 1881.
Estimate amounting to Rs. 3,900, dated 10th May 1881.

2. The papers were held over till now in anticipation of the extension of the provisions of the Ports Act 1875 to the minor ports, thus rendering Port Funds available to meet the expenditure involved in the improvement proposed for Mutupet. This has now been done, and I have to solicit the sanction of Government to the sum of Rs. (3,900) three thousand and nine hundred being allotted from Port Funds for the above work.

3. As it is one of a recurring nature, it seems advisable to make some provision to meet it, so that it may not be a burthen on the Port Fund. I therefore suggest that a small toll may be levied on the boats in the Public Works or Revenue Department for the conservancy of the river in either of those departments.

TRANSFERRED to the Public Works Department.

No. 112. ORDER THEREON, 20th October 1881, No. 2574 W.

THE estimate amounting to Rs. 3,900, for removing silt in the Koraiyar river in front of the Mutupet Sea Custom House, and in places down the river, in the Negapatam Division, is sanctioned.

2. The Accountant-General will be instructed in the Financial Department to place the sum of Rs. 4,972* at the disposal of the Public Works Department from Port Funds on account of the above work.
