Memo

With reference to the petition dated the 16th December from Marnuthya Pillay late Superintendent Pandaryair Head works, he is informed that after making all needful enquiries the undersigned is convinced that Marnuthya Pillay was rightly dismissed by Mr. Waman.

Marnuthya Pillay who was reduced for gross carelessness when employed at the Upper amir neglected the orders given to him was unable to manage the lower working under him and has been found generally incapable. His dismissal is therefore confirmed.

In obedience to your order I have purchased 12 seers of Coconut oil from Atticnday koopochetty on the 28th October 79. Head Lascar Venkatesh took in a bottle 2 1/2 seers of oil & on my asking him why he took it he gave no proper answer. On the next day the screws were oiled & as there were some more to be oiled I made use of 3 1/4 seers of oil out of the bottle & kept ~~at~~ the remaining oil in reserve. Of these I have reported to you in person at the Bangalore at Koradacherry & learnt from you that you would enquire into the matter & also told me to have the oil secured. This for your information

Superintendent Pandavai

Sir
My father was serving in the Department for a long time as a Manager at Vadasgooty Head in Sanjore Range. I am appointed in his place and served there for a period of four years. Then I was transferred to Mulliar Head. After a service of 8 years I was again transferred to the first Range by Mr. Brockman. While I was serving there and in other places executing my duty to the entire satisfaction of all my Superiors. I was transferred with no arrears to the Pandavai Head & that on a less pay. I came here I perform my duty with great fear & without any mistake. But I fear very much the Conduct of my Superior the Sub. Division Officer Manag for he is with no reason trying to find fault with me and bring down my service. I further beg to report that I have to Harasimachary about the arrears of pay due to me while serving in the Anicut in the 1st Range and about the delay of my pay by reports No 146 & 281 respectively & that I have received an order from the Sub. Division Officer Manag to the effect that it is reported to the Division Office at Tanjore. I find that no arrangement has yet been made with it. I have even reported about this to the Division Office. I am doing since now with a generosity. I shall be very glad to hear from you.

Vertical handwritten note: "See No 206 of 1900"

to the Saline Officer. I therefore beg you honor
me the arrears of pay & to free me from such position
as I have alluded.

Sir
I beg to bring to your notice that on my
way to Karadachery on the 20. Instant I inspected
the Pandayand banks at the had to see what had
been done towards the removing the thick jungle of
the Casars at the Velayand and Pandayand.

The banks are in the same state as when I saw
them in August and brought it to notice, and
a few sums to have been cut. On my asking the
Supt. he states that he ordered the Casars to
do this over and over again, but they have always
off doing it with some petty excuse. I am aware
that he has several times reported that he could
not get any of the Casars especially the Head Casar
to carry out his orders. But in this matter I
usually directed the Head Casar to do this.
I have therefore to request that you will have
the Casars severely fined for not carrying out orders.
The Supt. complains very much of the conduct of
the Velayand Head Casar Varan Nait who not only
disobeys and shirks all orders given him, but that
he also sets the other Casars to follow his example.

I have also to report that the Supt. has
reported that this Head Casar Varan Nait was
found with a bottle containing 2 1/2 aces of
the same as the one found at the

mistake the Villagers Head Lascars took 7 ours
that is, more than his usual quantity and instead
of returning this excess to the Pandavayars Head
he kept the bottle containing the 2 1/2 ours already
mentioned, without saying a word to anybody until
the Supt. who says he was watching at some dis-
tance of, taxed him about the matter. He then
said that he intended giving up the oil.
All the other Lascars also state that they
knew that the bottle of oil was kept by the
Head Lascar who intended delivering it to the
Supt. The Lascars are the only parties who could
prove the matter and they side with their Head
Lascar. But from their demeanour I am in-
clined to doubt them and I am strongly of opinion
that the Head Lascar did take the oil away
dishonestly.

This Head Lascar and the Supt.
are at bitter enmity with one another and
hence such is the case, so I beg you will
recommend one or the other for a transfer
from that place. I think that the Head Lascar
should not be kept at the Villagers Head any
longer.

I beg to remain,

I have enquired into this case, although the Head Lascar is a man
much older than I am, but I cannot help being drawn to him. It was stated to me
that the excess oil to the Villagers Head by a mistake, a village head
Lascar supplied by the village head by having borrowed the excess
within 2 hours of his occurrence he only lived in the village in the
other he never had taken the oil out of the village

As the Supt. immediately after this
was dismissed by Mr. Dady,
no action was taken in this matter.
The Head Lascar went to the
Supt. for out of the village

The humble petition of Maroottia Pillai
Late Superintendent of the Pandavayars Head
in the Mannargudi Taluk Tanjore District.

Most humbly sheweth

That he was dismissed from his post under the order
of the Executive Engineer Mr. Hanan conveyed in his order dated
27. 11. 79 for neglect of duty in not clearing the forests with
the Lascars under him which order is based on the Sub Division
Mr. Fox. With reference to the above he begs to state that in reality
he removed & cleared several thick forests in his range after he
took charge & was making all possible efforts to remove the
also, that he has frequently brought to the notice of his Superior
Conduct of such of his Lascars as did not conform to his instructions
and act up to them (Report nos 144, 18. 28. 87. 44 & 120) & his petition
to Mr. Hanan will bear testimony to the fact.

Overseer Mr. Dady who came to enquire into the case has
submitted a very clear & elaborate report which will plainly show the
Petitioner's efficiency while such is the case without taking any
further notice of the Conduct of the Lascars & in order to give
Petitioner's place to one of his own men, evidently a man who
entertained ill feelings against Petitioner on the presumption
the Pet. is related to one Chidambaram Pillai a Lascar who
against Mr. Fox in consequence of his having been dismissed
justly. Mr. Fox has written the said letter to the
Executive Engineer against Petitioner. The Executive Engineer
without ascertaining how far the facts are true has
dismissed the Petitioner without obtaining any explanation
from him (Humbly begs to refer G. O. No. 771 dated 21st March 1877)

That the Petitioner has appealed to the Superintending
3rd Circle Trichinopoly on the 22nd Sept 1879 & got an answer that
he has no objections if Petitioner is provided with post of
of Superintendent. He humbly begs to request that he
be graciously considered so that he & his case far
on the Government as he has doing since the post
of this act of his & generously the
shall be a great help

Appeals against his dismissal
by the Executive Engineer Mr. Hannon
for the alleged neglect of duty in not
clearing the forests in his range,
states that in reality he did re-
move & clear several thick forests
in his range after he took
charge; that he brought to the
notice of his superiors the conduct
of such of his Lascars as did not
obey his orders to clear the
forests as may be seen from
the enclosed reports; that the
reports of the Overseer Mr. Daydy
will clearly show petri's efficiency;
that owing to enmity of Mr. Hoo
against petri he was summarily
dismissed (vide G. O. No 771 of
28th March 1877) & that the Sup^r
Eng^r 3^d Circle, Trichinopoly to
whom petri appealed on the subject
made a reply saying that he
has no objection in petri being pro-
