RESOLUTION.—From the statements submitted by the Government of Madras a list has been prepared, and is appended to this Resolution, showing the articles which, on the information before the Government of India, it is possible to obtain of Indian manufacture. The Governor-General in Council accordingly requests that His Excellency the Governor in Council of Madras will cause definite instructions to be issued to all the departments concerned to institute inquiry as to the cheapest and most convenient way of obtaining future regular supplies of such goods of Indian manufacture, as well as of any other goods which in the course of inquiry it may be found feasible to add to the list. In order to give manufacturers that confidence in the existence of a permanent and steady demand without which they cannot reasonably be expected to spend time and money in the manufacture of new classes of goods, the Governor-General in Council will be prepared to approve of contracts made by the Local Government for a term of say five years based on the equivalents of the average cost in the year 1880-81 laid down in Madras from England of articles entered in the list.

2. With regard to many of the articles entered in that list, the Government of India has already issued general instructions in the Resolutions published in the *Gazette of India* since 23rd July last. Of the remaining articles the most important items are—longcloth, for which tenders should be invited from the Indian Cotton Mills; twine and rope (these are manufactured by Messrs. Ahmuty and Co., Calcutta, and elsewhere); and chemicals. The kinds specified, viz., nitric, hydrochloric, and sulphuric acids, and various others, are made by Dr. Waldie, of Calcutta.

Ordered that the foregoing Resolution be communicated to the Government of Madras for information and guidance, and with the request that the submission of the further returns promised may be expedited.

Ordered also that the Resolution be communicated to the other Local Governments and Administrations, and published in the *Gazette of India*.

(Signed) J. E. O'CONOR,
Asst. Secy. to the Govt. of India.
