5 Brick Manufacture

6 Half yearly return of stock  
for the half year ending 30<sup>th</sup>  
September 1880 & 31<sup>st</sup> March 1881

The Consulting Architect 1. The Consultant  
was informed that the  
Reports of Works should these items  
be printed up at once and  
as printed  
are not yet ready no  
right work vouchers should  
be submitted

The amount on the 2. Do

mentioned amount is brought  
to notice of Government

3. The amount  
Statement for June 1880. The Consulting Architect  
was remarked that an Examiner P. W. West  
submitted a statement of the  
later in the year as a just  
expenditure of the year, has  
been incurred in July  
Sugures to what extent  
expenditure in excess of  
appropriation may be  
passed.

The non-submission  
of the work voucher is  
brought before of exam-  
iner.

The Consulting Architect  
says these returns are almost  
completed and will be  
sent in a few days.
