No. 50. Proceedings of the Madras Government, Public Works Department, dated 29th July 1881, No. 1867-W.

Read the following letter from the Superintending Engineer, 3rd Circle, to Major J. PENNYCUICK, R.E., Under Secretary to Government, Public Works Department, dated 14th July 1881, No. 306-S.A. :—

I HAVE the honor to bring to your notice that the new Sayer Cutcherry at Valdavur in the South Arcot District, the construction of which was sanctioned in G.O., No. 1663-W, dated 14th July 1880, was completed last official year, and has since been occupied by the Sayer Superintendent. The old building in which the Superintendent held formerly his office has been vacated and is now borne on our returns.

2. The Executive Engineer reports in his letter, No. 446, of the 20th June 1881, copy enclosed, that the Collector proposes that the old building may be used as a Village Chavady for the Village Munsif to hold his office in, and that the Munsif will undertake to repair the building himself.

3. Under these circumstances I request sanction to transfer the building to the Revenue Department.

ENCLOSURE.

From the Executive Engineer, South Arcot, to the Superintending Engineer, 3rd Circle, dated 20th June 1881, No. 446.

THE new Sayer Cutcherry and toll-gate at Valdavur sanctioned in G.O., No. 1663-W, of 14th July 1880, having been completed last official year at an outlay of Rs. 1,304, it is being now occupied by the Sayer Superintendent. I have the honor to request as to the disposal of the old vacated building which is borne on our returns.

2. The Collector in asking me in his letter, No. 120, of the 9th instant, to take charge of the vacated building proposes that it may be used as a Village Chavady for the Village Munsif to hold his office in, and has also desired me to lay this proposal before Government. It is observed that the Munsif undertakes to repair the building himself.

3. If the building is left vacant and without any one to look after it, it must certainly become soon dilapidated, and I do not see there is any demand for the building by any other department. I would therefore recommend that the proposal of the Collector be sanctioned, if otherwise the building must be sold in auction.

THE transfer to the Revenue Department of the old Sayer Cutcherry at Valdavur in the South Arcot District is sanctioned.

2. It will be considered in the Revenue Department whether the maintenance should not be a charge on the Village Service Fund.

(Signed) J. PENNYCUICK, Major, R.E.,
Under Secy. to Govt., P.W.D.

Order thereon, 26th August 1881, *Mis.* No. 2248.

COMMUNICATED to the Board of Revenue who will report with reference to paragraph 2 whether funds are available.

2. It has been already decided that Surplus Village Service Fund may legitimately be spent on the construction or maintenance of Village Chavadies—*vide* G.Os., dated 21st May 1878 and 28th April 1879, Nos. 763 and 917.
