With reference to your Memorandum, No. 1561, dated the 17th September 1881 (enclosures returned), I have the honor to state that the History of Services of Gazetted Officers in the Civil Department will be published every year, and that I hope in the next edition to be able to include the services of Uncovenanted Gazetted Officers in non-gazetted appointments, and the Military Services of Military and Medical Officers in Civil employ. The lists referred to by Government might therefore with advantage be discontinued.

2. I would ask Government to allow me to entertain two temporary clerks on 25 rupees a-month, for a few months, to enable me to compile and verify these services.

ORDER THEREON, 29th September 1881, No. 1321.

The lists will be discontinued.

2. The Accountant-General is authorised to entertain the establishment proposed for a period of three months, after which application for renewal of sanction should be made, if necessary.
