grant of \$32,400. It would
be best at present to accept the

Executive Engineer's Estimate of
outlay, which will admit of Rs 10,700
being withdrawn from the work.

I enclose a form of Application giving up this amount and making proposal for utilizing the same on sanctioned emergent works.

2. I may add that Rs 5000 applied for by means of my Application No. 409 dated 26th September 1881, for converting the late Sub Divisional Office at Puthur into a Taluk Cutcherry, have not yet been granted; and as the work is an urgent one, I request that

that funds may be allotted to
that work at an early date.

I have the honor to lie,
Sir,

Your Most Obedt. Servant.

account
and it is presumed, could
wait till next year, or at
least till later in the year
if funds are then available.

The following works which
are now in progress, and
for which funds have been
promised, appear to have
a prior claim to funds than
the works recommended by

the Govt Stationery Office
at Madras Rs 6925

2. Completing Dying in Hos-
pital Madras Rs 3500

cited to which of the works
