The Humble Petition of B. Kristaffah late Lascar employed in the Divisional Engineer's Office Kurnool

Most humbly Sheweth.

That your humble Petitioner humbly begs to lay your Gracious consideration his grievous circumstances which now situated to him after serving in the Department for upwards of 28 years, without obtaining redress for his Pension.

Your Petitioner had entered the Department in 1851 under Colonel Henderson the then Civil Engineer 3rd Division, viz Bellary, Kurnool, Cuddapah Districts and served as Lascar under that Gentlemen for about 3 years. During that period the Petitioner had travelled with

with the Gentleman twice over the Districts on publicie duty with greatest hardship, attended on him, in spite of repeated attacks of fevers, ague and other sickness prevailed on him from time to time. This Gentleman was succeeded by Colonel G. W. Walker who had assumed charge of the above said Districts and also the Districts of Canara, and that so, the Petitioner had to serve this Office for about 2 years. During this period he had to travel once over all the Districts with that Gentleman; the longest travel being in Canara District only. Amidst this Tour, the Petitioner's services were temporarily placed under the Officers noted in the Margin Ghaut Survey in the internal your Petitioner had then undergone to very many hard ship laboring with Jungle fever of that part of the Country.

In 1856 the Petitioner was ordered by the above office to join Captain Blagrave the then Asstt Engineer of

of Durnod.

Since the Petitioner served under this Gentleman and his successors up-to year 1879. In this District the Ghauts noted in the margin are as the Government aware of notorious for fever as the like, in the Wynaud District. The Petitioner had visited the Ghauts several times with the Officers and had suffered to greatest extent with fever and Rheumatism and laid at home.

The Petitioner is only a survived Cascar of the other served with him. Your humble Petitioner had minor son and two daughters below five years, with wife, under his support. Ever since he had been laid up by Rheumetism the troubles he had to feel for want of bread for self and those depending upon him are unbearable.

After the Petitioner had served so many years as said before with so much

much sickness & hard ship attending on him, he was informed by the Cuddapah Divisional Ast. Gr. Officer that His Excellency the Governor in Council had been pleased to Grant him a gratuity of only Rs 42-0-0 (vide G.O No 1124 Dated 24th. November 1880 Pension Department.).

The Petitioner is therefore humbly requests his Excellency to reconsider, his whole case and the several hardships & inconveniences he experienced more than those of any of his accompainments in the same Department, and please to order that his services may be condemned towards pension; granting 2 years extra service for his meritorious services as a special case as he is now left in a state, quite useless for any sorts of out door work; and pleased to order for a compassionate pension of Rs 3-8-0 (half of his salary) which the petitioner humbly submits is a great boon for him, and in no way any loss to Govt. if taken into consideration; the meritorious service he had rendered in Government.

For which the petitioner is bound to ever pray for your honor's long life and prosperity.

The Petitioner beg to Remain
