From

To

The Chief Engineer
Public Works Department.

Sir,

In reply to your Memo No 2,156
of the 21st September, I have the honor to state
that, the original list of materials which
Mr. Peters, the Executive Engineer in Charge of the
Eastern Division forwarded to Mr. Smith Sub-
Division Officer in November 1877, and referred to
in para 7 of my letter No 1,086 of the 3rd
Ultimo, cannot now be found. The list prepared
by the Sub Division Officer and sent in on the
8th November 1878 is however forthcoming. In
this list, 28.28 Cubic yards of Teak wood are
said to be in stock belonging to Aranigedda
Cacheri, probably the Cubic yards is a
clerical error for Cubic feet. The Overseer's

Statement dated 23rd December 1877 on which
the figures in the Sub Division Officer's list
are based, shows 30½ Cubic feet in stock
belonging to Ananigadda Cacheri. In a note
to this Statement, the Overseer P. Leshiah
states that "I remember that some wood
was used on different works, the quantity
must be ascertained in the Eastern Division
Office, as to whether they have been properly
debited.

2. As steps were not at once taken
to trace out the quantity and make the
proper debits, there is no chance of its being
done now.

3. I regret that I am not able to
afford more satisfactory information, but
I can of course only give such details as
the records forthcoming afford.

I have the honor to be,

Sir,

Your Most Obedient Servant

READ the following letter from

the Inspector General of Registration,
Madras, dated 14th October 1881,
No. 671.

The Registrar of Pambalur
reports that during his last inspec-
tion of the Sub Registry office at
Collegal he observed the Sub Registrar
seated in a veranda of the Taluk
Cutcherry surrounded almost by the
Tahsildar's Goomastahs, and much
inconvenienced by the bustle and
confusion of the two Magisterial
Courts (Tahsildar and Sanikudam).
Besides the only almirah in which
the valuable records of the office
are secured, is kept in a veranda
of the Cutcherry which is far from
safe and such valuable records

may be easily tampered with."

2. I have the honor therefore
to request that the sanction of the
Government may be obtained for
the erection of a new building for
the office, and, pending its erection
for the renting of a private building
at Rs. 3 and the employment of a
night watchman on Rs. 4-1/2 a month.

Order thereon 20th October 1881, No. 2172.

Communicated to the Pub.

of the necessary orders.

2. The proposals made in
