I have the honor to inform you that the Brigadier General, Commanding affairs of the building enumerated in your letter No 436 of the 7th instant, being sold and demolished, and the site completely cleared and further that he sees no necessity to retain half of the Staff Sergeant's Quarters of the Garrison Battery Moock.

2. The Brigadier General wishes to bring to notice that the "Latrine of the old Brigade Office" should also be sold and demolished, as now the Government have decided that the Military Cantonment shall not be separated from the Municipality there will be no use for the building as a tool shed - the Cantonment Committee having no prospect under these circumstances of having any establishment for which a provision of tool, &c, will be required.

PUBLIC WORKS DEPARTMENT.

No. 28.

TO THE MOST HONORABLE THE MARQUIS OF HARTINGTON,
SECRETARY OF STATE FOR INDIA.

MY LORD MARQUIS,—We have the honor to transmit a memorial from Mr. R. E. Norfor, lately an Executive Engineer in our Public Works Department and now employed as Local Fund Engineer in the South Arcot District appealing against the orders of the Government of India under which he has been deprived of his pension, and directed to refund the bonus granted to him on retirement from the service under the operation of the Government of India's Resolution No. 2,079 of 31st July 1879.

2. In our despatch No. 27 of 10th May 1881, we have fully expressed our opinion as to the validity of the claims of this officer and others similarly situated, and in forwarding this memorial we desire to invite your Lordship's special attention to the legal opinion attached thereto, which is that of one of the leading members of the Madras Bar.

3. Your Lordship will perceive that this opinion is almost identical with that already expressed by us, it is in substance that "Local Fund employment is not State employment, and that if it were the pensioners would be still entitled to the privileges granted by the Civil Pension Code, that their moral claim is incontestable and cannot be legally enforced only because the claim of pensions is specially barred by statute.

- From Mr. R. E. Norfor, Local Fund Engineer, South Arcot.
- From Mr. E. A. Parsick, Local Fund Engineer, North Arcot.
- From Mr. Milne, Local Fund Engineer, Tinnevely.
- From Mr. Watkins, Supervisor, Tinnevely.
- From Mr. Seton, Local Fund Engineer, Vizagapatam.
- From Mr. R. H. Brown, Local Fund Engineer, Cocanada.
- From Mr. Brickwell, Local Fund Engineer, Masulipatam.
- From Mr. Harington, Local Fund Engineer, Madura.
- From M. Chinnasawmy Pillai, Local Fund Overseer, Madura.

4. With the memorial above mentioned we forward copies of the memorials detailed in the margin addressed to ourselves by officers situated similarly as Mr. Norfor, which we consider it desirable that your Lordship should see.

5. Other memorials as per margin addressed to your Lordship and since received are also forwarded herewith.

We have the honor to be,

My Lord Marquis,

Your Lordship's most obedient, humble servants,

(Signed) W. P. ADAM.

Read the following paper:—

No. 58. From the Superintending Engineer, Third Circle, dated 1st October 1881,
No. 1,098.

No. 59. ORDER THEREON, 15th October 1881, No. 2523 W.

THE revised estimate, amounting to Rs. 5,136, for constructing a Sub-Registrar's
Office at Kumbakonam in the Tanjore District is sanctioned.

2. The excess of Rs. 556 over the original estimate of Rs. 4,580, sanctioned in
G.O., No. 1341, dated 15th March 1878, is shown to be due to the omission in the
latter of provision for plastering the inside of the rooms, and for a portion of the
wood-work of the verandah, and also to the necessity for providing for stronger
girders than those originally designed.

3. Rs. 2,833 were spent on the work in the past official year and Rs. 1,747
have been allotted to it in the current year. The Accountant-General will be
instructed in the Financial Department to place the balance required, Rs. 556, at the
disposal of the Public Works Depart-
ment, from the Reserve of Rs. 50,000
alluded to in G.O., No. 2168,* dated
22nd November 1880.

4. This sanction has been registered as Provincial No. 82 W., of 1881-82; is
classified as Civil Buildings Original Works, and cancels No. 305 B. of 1877-78.
