I, Edward, and wife, do hereby certify that the above is a true and correct copy of the original as the same is now on file in the office of the Secretary of the Board of Commissioners of the District of Columbia, and that the same is a true and correct copy of the original as the same is now on file in the office of the Secretary of the Board of Commissioners of the District of Columbia.

with the Channel Superintendent
in their line. Ever since all my
petition to the Great D. & W. Officer
with a request to institute me in
some permanent post in the West
were so unfortunately and I
I humbly beg to submit that I
am now in a position that I
very much regret that I
suffered from the awful
loss of my whole family in the
last year. I was in the
last year counted to 2 1/2 years with
out 2 1/2 years effort to make me
satisfied for 13 years. During this
period of long service I gave full
satisfaction to the Officers whom I
had joined to work under and my
conduct was always unblemished.
I have which I ask the remarks
made by the various Officers in
the works kept in Office for this
purpose. Can I have sufficient
testimony. I have signed (C. 187-0-1)

and of my satisfaction to the D. & W.
Officers in the District of Columbia
it was a duty that the restoration
of the Channel Super to was recommended
for to the Court with whom the matter
was still pending. This happened
28th Sept. 1882 and my hope was
a little cheered, but I was of course
very much disappointed and I was
4th Oct. notwithstanding the effect
of my years for my personal service
motivated by the indignity of the
loss of my whole family I was
to produce a certificate from the
Surgeon for my further
continuance of service. I could not
succeed in getting one as I am a
man of only 36 years perfectly able
to work for a length of period, nor
it is ever my wish and hope to be
permanence as soon as the
Completion of the prescribed service

I have the honor to acknowledge the receipt of your Grace's good letter of the 11th
 inst. and I regret to say I am
 unable to have recourse to your Grace by
 representing that I have been so
 long and miserably deferred for
 the out-payers of my long service
 have not been at all ready to pay and
 pay for it with a consideration to
 my service of 12 1/2 years permanent
 and 6 years temporary service
 altogether 17 1/2 years and that
 I am at least 4 years in this miserable
 time will prove a great effect.
 I am most humbly soliciting the
 favor of your Grace to permit
 me to conclude my petition with
 an humble prayer that your
 Grace will after considering
 my long service be pleased to
 issue orders for my restoration

restoration to the service and
 thereby confer the best marks
 of your Grace's filial sympathy
 and valuable support
 of me, your Grace's poor &
 miserable servant

I beg to remain
 Most Gracious Lord Duke
 Your most obedient humble servant

thrown out of employ in the revision of Public Works establishments in 1878; that he was not successful in his application for employment in the Local Fund Dept. that he is only 36 years of age & is able to work hard, & is unwilling to retire from the service; that he has a service of $12\frac{1}{2}$ years in the permanent establishment & 5 years in temporary one; that he cherished a hope of restoration to his former post, as the Supt of P. Works in Kustna informed him in Sept^r last, that the restoration of Channel Supt^r was recommended to Govt; but that lapse of time has made him to despair; that his sufferings have been very great.

Prays that Court
may direct his restora-
tion to the service.
