GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

27th October 1881, No. 502.

Flagstaffs.

Read the following paper:—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras, to the Chief
Secretary to Government, dated Madras, 17th October 1881, No. 9126 [Current
No. 649].

Administrative Department.

With reference to G.O., Marine, No. 423, dated the 29th August last, paragraph 2, I have the honor to forward the accompanying estimate from the Executive Engineer, West Coast Division, for erecting a new flagstaff basement at Tellicherry, amounting to Rs. (100) one hundred, to which should be added (27½) twenty-seven-and-a-half rupees on account of Public Works supervision and tools and plant percentage, as the work must be entrusted to that department. I beg also to state that a skilled person will be required to shift the flagstaff to its new position, and set up the rigging afresh. I propose sending a pier boatswain to do the work. His actual travelling expenses will have to be paid, with batta at Rs. (2) two per day. He will also be entitled to draw his allowance on the Madras Pier during his absence on duty. The cost of the flagstaff work will be about (70) seventy rupees. The whole expenditure will be met from the Port Fund, and I have to solicit the early sanction of Government to the same.

ORDER THEREON, 27th October 1881, No. 502.

The estimate will be transferred to the Public Works Department for disposal.

2. The suggestion that a pier boatswain be sent to attend to the work is approved.

3. In anticipation of the estimate being passed and sanctioned in the Public Works Department, the Accountant-General will arrange for placing at the disposal of that department Rs. 127½ from Port Funds.

(True Extract.)
