GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

16th November 1881, No. 2862 W.

General.
Establishment.

Read the following paper:—

No. 80. Endorsement of the Examiner of Public Works Accounts, dated 28th October 1881, No. 124 M.

From Brigadier-General GODFREY-CLERK, Adjutant-General, to the Examiner of Public Works Accounts, dated Bangalore, 22nd October 1881, No. 1401.

REFERRING to your letter No. 55 M of the 17th instant, forwarding, for the approval of the Provincial Commander-in-Chief, certain draft rules for the admission of non-commissioned officers and soldiers to the Civil Engineering College, I am directed to request information on the following point:—

I. Will the names of those non-commissioned officers and soldiers who successfully pass the final examination, but who cannot be provided with employment in the Public Works Department and therefore have to return to their regiments, be recorded and kept on any list as passed and qualified candidates for employment in the Public Works Department?

II. And will such men's claims for employment have preference to those of men who may subsequently pass the final examination?

2. The Provincial Commander-in-Chief considers it would be advisable that some such inducement of future employment should be held out to those men who may have passed the final examination and who may be considered in every respect fit for employment in the Public Works Department, and that this should be embodied in the draft rules.

FORWARDED to the Secretary to Government, Public Works Department, for favor of disposal.

(Signed) D. C. GORDON,
Examiner, Public Works Accounts.

No. 81. ORDER THEREON, 16th November 1881, No. 2862 W.

THE Government have no objection to the maintenance of a register of all passed military candidates for whom it may be impossible to provide at the time of passing, and the necessary addition will be made to the rules.

2. No distinct pledge can however be given of the character adverted to in the second question put forward in the Adjutant-General's letter. The Government are desirous of securing the very best material for the department, and to allow passed men of previous years to claim admission in priority to men of superior attainments who pass out of the College subsequently would be to ignore this principle. The Government can only undertake to provide to the best of their ability for men of the class adverted to as vacancies or opportunities arise.
