1 Report.

1 Letter No. 8 of
31st Oct. 1881 from
the Chaplain of
St. Stephen's Church
to the Engineer

I have the honor to submit for
Sanction and early provision of funds, an
Abstract Estimate of Rs 2400 together with a
Report and application from the Chaplain,
for repairing St. Stephen's Church at Pota-
comund. The Local Fund Engineer who
prepared the Estimate, reports that the building
itself is in a much neglected state and that
the Carriage Approach to it is scandalously
bad, and that the Estimate now submitted
provides for only what is at present abso-
lutely and essentially required.

2.

I have submitted the above Esti-
mate to you for disposal as I consider
that under para 294(a) of the Code, it is

not

not sanctionable by me.

3. I may add the Estimate has been checked by this Department and had the Chaplain or Lay trustees applied before for the necessary repairs to have been done to the Church by this Department application for funds ~~etc.~~ would have been made months ago.

I have the honor to be,

Sir,

Your Most Obedt. Servant.
