No. 99. From K. F. NORDMANN, Esq., Executive Engineer on special duty, to the Secretary to Government, Public Works Department, dated Vizianagram, 5th November 1881, No. 7 V.

I HAVE the honor to inform you that having learned from the Collector, Mr. Turner, that I should most likely encounter great difficulties as regards guides, camp supplies, coolies, &c., in the Native States of Kalahoondy, Patna and Karial, unless an official person of some standing in the service of those States were attached to my camp to aid me while within their limits, I have this day telegraphed on the subject (there being not enough time left for a letter to reach and be acted upon) to the Secretary to the Chief Commissioner of the Central Provinces at Nagpore, and I beg to enclose a copy of my telegram for your information.

2. I have not mentioned Ombadola in the telegram, as that place is within our own territory, and I apprehend no difficulty there or at Lonjigar and Asurgor.

3. Mr. Cormac will march from Ryaguddah *via* Singapur over the Musa ghât to Bondesor (the capital of Kalahoondy), thence to Dadpur and Bogor, while I proceed *via* Bissemkuttah, Ombadola and Asurgor to Bogor, where we meet.

4. The line from Singapur *via* Lonjigar to Ombadola will also be gone over by us.

5. I should be glad if I could be supplied with a copy of Grant's *Gazetteer of the Central Provinces*. If it is sent to the Post Office at Ryaguddah, I will make arrangements to have it forwarded to my camp.

Telegram from K. F. NORDMANN, Esq., Executive Engineer, Vizianagram, to the Secretary to the Chief Commissioner, Central Provinces, Nagpore, dated 5th November 1881.
