Superintendent's Quarters, Trichinopoly
Central Jail. - Estimate, amounting to Rs.
\$30, for providing a lightning conductor to
the - mentioned.

No 233

19/11/81
Dated 19th November 1881.

From

Sh Colonel T. E. Sumant

Inspector General of Jails

of

The Chief Engineer & Secretary
to Government. P.W. Dept
Fort St. George

Sir

With reference to G.O. dated
4th November 1881 No. 2736 w I regret
not having explained more fully the
necessity of protecting with a lightning
conductor the quarters of the Superintendent
at the Central Jail Trichinopoly.

2. The Central Jail is situated
on the high ground near the Golden
Rock. In 1879 the Central tower in
the jail was struck by lightning twice
in a storm on the 4th August, and on
the 15th of last month the block for

females was also struck by lightning.

3. The Superintendent's quarters (which have lately had an upper storey added) is on higher land than the Jail and is more exposed than even the Central tower. I consulted with Colonel Beatty and we both agreed that the Superintendent's quarters and the Central tower of the Jail, ought to be protected by lightning conductors.

4. Under the circumstances now explained I request you will be so good as to present the estimate for Rupees 380 for the sanction of Government and allow the work to be carried out by the Executive Engineer.

I have the honor to be
Sir

Yours most obedient servant

J. L. L. L.
Inspector General of Rails

Jail (1881) Department.

From

THE INSPR.-GENERAL OF JAILS,

To

Engineer &
THE CHIEF SECRETARY TO GOVT.,
P. M. S. S. S.
Fort St. George.
