

No. 1,841.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th December 1880.

Read the following letter from A. T. ARUNDEL, Esq., Acting President, Municipal Commission, Madras, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Madras, 24th November 1880, No. 1,536 :—

With reference to Board's Proceedings, No. 1,631, dated 28th October, I have the honor to state that having inspected the ground in question, I think it will be an advantage both to the public and to Government to retain Blocks 1 and 7 as shown in the large map (corresponding to red ink Nos. 1 and 5 in the small map).

2. The retention of both these blocks will make the whole esplanade more symmetrical in shape, and, as the Board remark, it will be advantageous to the residents in Marshall's Road.

3. Block 7 in the larger map (Block 5 in the smaller) is a cocoanut grove; it is now occupied by lines of sepoy huts and appears well suited to the purpose. Unless therefore Government have any particular reason for getting rid of this piece of land, its utility, present and prospective, forms another reason for keeping it.

4. I see no objection to the sale of the other blocks colored yellow in the larger map.

5. The two maps are herewith returned.

SUBMITTED to Government with copies of Board's Proceedings, dated 22nd July and 28th October last, Nos. 1,003 and 1,631, with reference to G.O., dated 26th November 1879, No. 2,202.

2. The Board recommend the sale of the blocks marked yellow on the plan in small lots for building sites as proposed, with the exception of Nos. 1 and 5 on the small plan, which should remain as they are.

Secretary.
