For order

The Application
herewith submitted
by the Examiner is
of special importance
first on regards the
completion of our SBO
Code in a logical form
and second its being
kept posted to date
with the continued issue
of Standing Orders enter-
ing the SBO or this Government

The rearrangement of
the substance of the
Code in proper logical
sequence has now for
some time past engaged
my own attention and
that of the Examiner,
and as will be observed
the subject is alluded
to in the marked
passage p 21 of my
last Administrative
Report

21-11-82

It only needs a glance
at the opening chapters
of our Code based on
that of the S. P. to assume
correctly that the subject
matter is an ill arranged
and shows regular succession
of the sections being
arranged under the
various appointments -
pay - allowances -
leave &c. - the order
in each and all of
these subjects being disposed
in a very confused manner

I should hope that
with the aid of the
proposed writer on Rs 50
the rearrangement of the
subject matter under
headings agreed to
between Mr. Gordon &
myself will be easily
carried out and our
first volume issued
complete by end of the
current Oct. year -

I am remaining with
often Affectionately
will take further time
and it will be as less
essential to provide for
the continuous issue of
Standing Orders to be
sent out regularly for the
information & guidance
of the Department
