Read the following paper:—

No. 127. Endorsement of the Chief Secretary to Government, Ecclesiastical Department, dated 22nd November 1881, No. 1879.

From the Rev. J. JOLLIE, Acting Senior Chaplain, Church of Scotland, to the Chief Secretary to Government, Fort St. George, dated Madras, 18th November 1881.

I HAVE the honor to request that you will be good enough to submit the accompanying letter and estimate from the Rev. J. D. Morrison, Assistant Chaplain, Church of Scotland, Bangalore, for the favorable consideration of the Right Honorable the Governor in Council.

2. There can be no doubt that inner-glazed shutters were originally intended to be placed in the windows of St. Andrew's Church, Bangalore, the frames being grooved and prepared for them. They are necessary to the *completion* and *preservation* of the building, and from my knowledge of that church I can testify that the congregation suffer much inconvenience and discomfort during both the rainy and hot seasons from the want of them.

3. As the amount estimated for is so small, I venture humbly to express the hope that the Right Honorable the Governor in Council will be pleased to grant it, and so secure the completion and proper preservation of this fine church.

TRANSFERRED to the Public Works Department for consideration with reference to G.O., No. 2323 W., dated 7th October 1880.

(Signed) R. DAVIDSON,
Chief Secretary.

No. 128. ORDER THEREON, 28th November 1881, No. 2966 W.

The repairing of St. Andrew's Church
