From

THE CONSULTING ARCHITECT TO GOVERNMENT,

To

THE CHIEF ENGINEER, PUBLIC WORKS DEPARTMENT,

BUILDINGS AND ROADS BRANCH.

SIR,

Enclosures. 1

I have the honor to request that you will be good enough to sanction the purchase of two new tile pressing machines and additional dies.

These machines are wanted specially for the New Post Office and Telegraph Office but I believe the rules in force makes it necessary to charge them to tools and plant.

The single machine we have is much worn after pressing 2,00,000 tiles and will shortly become useless under new dies can be obtained.

I have the honor to be

Yours

Your most obedt. servant.
