Sir,

With reference to para 2 of G.O. No 2753 W of the 30th November 1880, regarding the Irinvalur School House, I have the honor to inform you that the Director of Public Instruction, to whom the Estimate for this building was forwarded for countersignature, states that the construction of the building is contingent on the inhabitants of the place contributing one half of the estimated cost, and that unless the due amount of subscription is raised, there is no probability of the work being undertaken -
