Madras Harbour.

Read the following paper :—

No. 34. From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras,
to the Chief Secretary to Government, dated Madras, 6th January 1881,
No. 26.

Administrative Department.

As the Harbour is rapidly approaching completion, I have the honor to point out that one of the first requisites will be Harbour Masters to bring vessels in, and take them out of, the Harbour. But at present I do not think more than one officer of this grade will be required, as it will be open to Government to increase the establishment, if necessary, hereafter. I have therefore to solicit sanction for the entertainment of one Harbour Master on a salary of Rs. (300) three hundred per mensem.

2. This officer's salary will of course be debitable to "Pilotage Account," as contemplated in Section 47 of Act XII of 1875.

3. I may mention that I am in communication with the Chairman of the Port Trust, Calcutta, as to whether a sober, steady young man can be recommended for the appointment; at the same time attention will be given to applications which may be received from eligible men at this port.

No. 35. ORDER THEREON, 20th January 1881, No. 30.

The appointment of one Harbour Master, on a salary of Rs. (300) three hundred per mensem, is sanctioned, the charge being debited as proposed.
