No. 3. From Lieutenant-Colonel J. BEATTY, R.E., Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated 9th December 1880, No. 1,212 T.C.

I HAVE the honor to inform you that out of the five Government buildings at Pámban (*vide* accompanying list), formerly in charge of the Public Works Department, two were transferred to the Telegraph Department and the remaining three are still in charge of this department.

2. Two buildings, Nos. 4 and 5, are rented to the Port Officer and a subordinate of the Telegraph Department, and building No. 3 is unoccupied.

3. As there is no Public Works subordinate within 50 miles of Pámban to look after the repairs of these three buildings, I have the honor to request that the two buildings, Nos. 3 and 4, may be transferred to the Telegraph Department; and that building No. 5, which is now rented by the Port Officer, may be handed over to the Marine Department, on condition that they will maintain them and hand them back to the Public Works Department if required at any future date.
