Sir,

With reference to G.O. No 2292W
dated 16 September 1881, I have the
honor to forward herewith for sanction
and allotment of funds, Plans and
Estimate amounting to Rs 300 for
constructing a forge with flue, bellows,
fittings &c in the Armourers Shop of
the 6th Regiment, Native Infantry at
Trichinopoly, and to state that the
proposed improvements are shown
in red in the plan of Armourers Shop.

2. I should mention that, ac-
cording to the standard plan, the
forge ought to stand in the browning
room, but as there is no room for
it in that part of the building, it

has been placed in the next rooms.

3. The Plans and Estimate have, with the approval of the officer commanding the station, been countersigned by the station staff officer -

4. You will observe that another Estimate amounting to Rs 300 for certain improvements to the above building was sanctioned in G.O. No 1891 W dated 1st August 1881, and the work has been nearly completed -

5. As regards the other work referred to in the G.O. quoted at top of this letter, viz "Altering a wash house to suit temporarily as an Armourer's shop for the 30th Regiment Native Infantry", I have to inform you that an Estimate of Rs 310 for that work was locally sanctioned under "Repairs" on the 10th October 1881, and the work, which had been

²⁰⁰⁹
put in hand in anticipation of sanction, was completed in March 1881.

I have the honor to be
Sir
your most obedient servant.
