Each of these Quarters will have 3 additional rooms which will consist one Bed room, one Store room and the other for wood godown. The measurements of these have been shown in the plan and additions colored in red.

The proposed additions to each Quarter will cost Rs 1510 making the total for four Quarters Rs 6040; the plan and estimate have been approved of by the Inspector General

General of Jails. It is therefore requested that they may be sanctioned as early as possible and funds provided for the completion of the work which will be completed probably by the 15th December 1881.
