Read the following paper:—

No. 35. From Major H. R. MEAD, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 2nd December 1881, No. 528.

With reference to G.O., No. 2474 W., dated 8th October 1881, I have the honor to forward plans and approximate estimate for the building ordered for the Telegraph Department at Devála, and request that the approval of Government may be obtained for what is being

done and that funds may be allotted to the work.

2. I regret that, owing to the site not being fixed as yet, I fear there is no hope of the building being ready by the end of December 1881 as I hoped. Most of the wood work is ready now and if we had the site the work could be completed in a month or six weeks.

As you are aware the original site selected was not approved of, and Mr. Roupell, the Commissioner, in a letter, No. 20, dated 3rd November 1881, informed me that he was himself going to Devála to settle on and procure a site. I have not as yet heard that anything has been done.

No. 36. ORDER THEREON, 10th December 1881, No. 3071 W.

THE estimate, amounting to Rs. 10,400, for constructing a Telegraph Office with out-houses at Devála in the Wynaad is sanctioned.

2. A separate application is being made to the Government of India for a re-appropriation of funds to provide for this and other works.

3. This sanction has been registered as Imperial, Other Services, No. 54 W. of 1881-82, and classified as Civil Buildings, Original Works.

4. The very early attention of the Commissioner of the Nilgiris will be called to paragraph 2 of the Superintending Engineer's letter above read in regard to the delay in fixing a site.
