GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

12th December 1881, No. 3080 W.

Buildings and Roads.
Civil Works.

Read the following paper:—

No. 41. From Colonel J. BEATTY, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 1st December 1881, No. 1503 T.J.

In continuation of my letter No. 1466 T.J., of 26th ultimo, I have the honor to inform you that the work of planting, &c., which you recommended, in clause 3, paragraph 6 of your report printed with G.O., No. 1,356 W., of 30th May 1881, to be carried out under the orders of the Port Officer, has not been begun; and I therefore send an estimate of Rs. 120 prepared by the Executive Engineer for planting up the land face of the sandspit, preserving the plantations, and preventing injury to the groynes and banks during the remainder of the current year. I think it will be found necessary to have this work attended to by the Executive Engineer.

2. With regard to the low revetment* to the boat basin, Captain Smart reports that the least expensive kind of revetment would be with concrete blocks, and that such a revetment would cost Rs. 2,100.

* Paragraph 10 of the report.

3. The coal pavement of the South Indian Railway has been moved back 15 feet, as directed in paragraph 12 of the report.

4. The old palmyra groyne, referred to in paragraph 14 of the report, has not yet been removed, but this may be done at trifling expense when the improvements provided for in the estimate of Rs. 7,585 are in course of execution.

No. 42. ORDER THEREON, 12th December 1881, No. 3080 W.

THE estimate, amounting to Rs. 120, for planting up and watering the land face of the sandspit at Negapatam is sanctioned.

2. The necessary funds will be provided in the Financial Department from Port Funds.

3. This sanction has been registered as Excluded Local (Port Fund) No. 42 W., of 1881-82, and classified as Miscellaneous Public Improvement—Repairs.

MEMORANDUM.

Current No.

7106. 3/2/81

Letter Number 1503

dated the 1st December 1881.

from the Supg. Engineer 6th Circle.

Note of Remarks.

The Estimate with specification report for Planting up & watering the land of the Sand Spit at Negapatam in the Tanjore Dist. Amounts to Rs. 120.

The Estimate provides for one head & four coolies for planting up the land face of the Sand Spit, preserving the plantations & preventing injury to the groves & banks, during the current year.

The Rates returned are considered fair.

Chief Engineer P.W.D.

Sir,

Enclosure 1
1. Estimate.
with specification

In continuation of my letter
No 1466 T. of 26th Ultimo, I have the honor
to inform you that the work of
planting &c which you recommend-
ed, in clause 3 para 6 of your Report
printed with L.O. No 1356 W of 30th May
1881, to be carried out under the
orders of the Post officer, has not been
begun; and I therefore send an
estimate of Rs 120 prepared by the
Executive Engineer for planting up
the land face of the sand spit,
preserving the plantations, and
preventing injury to the groynes
and banks during the remainder
of the current year - I think it will
be

be found necessary to have this work attended to by the Executive Engineer.

2. With regard to the low renetment to the boat basin Capt. ^{* para the Rep} Smart reports that the least expensive kind of renetment would be with concrete blocks and that such a renetment would cost Rs 2,100.

3. The Coal pavement of the South India Railway has been moved back 15 feet as directed in para 12 of the Report.

4. The old palmira grove referred to in para 14 of the Report has not yet been removed, but this may be done at trifling expense when the improvements provided for in the estimate of Rs 7,585 are in course of execution.

I have the honor to be

Sir

your most obedient servant.
