Application for funds from the Supt.tt of Works Godavari No. 1610 dy 9th Septr 1880.

Endorsement ji the Fin.l Dept. No. 2038 dy 20th Octr/80 on letter from the Master Attendant No. 9085 dy 13th Octr 1880.

FOR ORDERS.

In August last the Supt.tt of Works, Godavari, applied for an allotment of funds to meet a charge of Rs 3846-11-4 debited to the P. W. Dept.tt in the Civil Exchange Account for "charges for ascertaining the nature of the ground at the site of the proposed lighthouse for the approach to the Port of Cocanada", and it being supposed that the charge was

debitable to the latter Port the Marine Dept. were requested to make the necessary grant.

2. The Master Attendant points out that the work in question is distinct from the port itself and that the charge is not debitable to Port Funds.

3. There is no doubt that this view is correct and that the charge is debitable to P.W.D.

4. By the proceedings recorded with G.O. No. 1881 of 25th July 1876 it was decided by the Govt. of India that all expenditure in connection with lighthouses should be classed as Imperial, but as regards this particular work, a previous expenditure of Rs 4,715-10-1 was accepted as a debit to Provincial Funds, by G.O. No. 2592 of 10th Septr. 1875 and letter to India No. 2171 of 7th August 1874.

5. The present charge must it is thought follow the same course, and be debited to Provincial; there are however no funds at present from which it can be met.

3. As it is impracticable to meet the charge from the P.W. Budget in which no provision has been made, it is suggested that the Financial Department should be asked to make a special assignment.
