

Military Buildings - Demolition.

No. 653

Government of Madras.

MILITARY DEPARTMENT.

Fort St. George, the 31st January 1881.

From the Quarter Master General
to the Secretary to Government Military
Department, dated Fort St. George 31st
January 1881, N^o 823.

Forwarded for the sanction
of Government. His Excellency the
Commander-in-Chief recommends
that the old latrine attached to the
buildings formerly occupied by the
Royal Artillery at Trichinopoly
be struck off Military Returns
and the materials of the building
sold for the benefit of Government.

From the Officer Commanding
Trichinopoly to the Quarter Master
General, dated 26th January 1881.

I have the honor to report for
your information that the roof of
an old latrine in the Royal Artillery
Barracks at this station has fallen
in.

in, this accident is attributed to the recent heavy rains, and I wish to be favoured with your instructions as to whether the building in question shall be repaired, or entirely dismantled, the material auctioned, and proceeds credited to Government.

I venture to suggest that the latter alternative be adopted, the Latrine not being used by the 30th Regiment A.I. (the present occupants) and as no European Troops are likely to be again stationed at Trichinopoly, vide G.O. 19th July 1880 N^o 1716 W, it would be an useless expense to the State by its re-erection.

Order — Sanctioned.
