No. 24. From Major H. M. VIBART, R.E., Superintendent of Works, Presidency, to the Chief Engineer, Public Works Department, dated Chempak, 25th January 1891, No. 2,342.

I have the honor to forward herewith in original a letter addressed to me by Lieutenant and Assistant Commissary S. C. Plummer, Assistant Engineer, First Grade, desiring to abide by the pay of the grade corresponding to that of an Assistant Engineer, First Grade, in the Upper Subordinate Establishment, viz. Sub-Engineer, First Grade.

The request appears admissible with reference to Public Works Code, Chapter II, paragraph 185, and to the orders of Government of India, Public Works Department, contained in their No. 112 P.W., dated 14th March 1875, copy of which was published with G.O., No. 1,040 W., dated 3rd April 1875.

Under the circumstances I beg to request that the Examiner, Public Works Accounts, may be directed to pass to Lieutenant S. C. Plummer all the pay and allowances, including travelling, and subsidiary allowances, which he may be entitled to under the rules which govern the allowances admissible to a Sub-Engineer, First Grade.

Lieutenant S. C. Plummer is aware in making this election that he forfeits the travelling allowances admissible to an Assistant Engineer, and accepts instead those admissible to a Sub-Engineer, First Grade.

With reference to the list of allowances enclosed, received with your memorandum No. 2,342, dated 25th instant, and desiring to refer to notification No. 988, published in part I, page 625, of the First St. Gazette, dated 21st December 1889, in which I am promoted to the rank of Assistant Commissary from the 24th November 1889, I have the honor to state with reference to the ruling contained in Public Works Code, Chapter II, paragraph 185, that I elect to abide by the pay and allowances of the grade corresponding to an Assistant Engineer, First Grade, in the Upper Subordinate Establishment, viz. of a Sub-Engineer, First Grade; and with reference to this election I beg to request that the Examiner, Public Works Accounts, be directed to admit to me the pay and allowances, including travelling allowance, &c., that I may be entitled to as an Assistant Commissary and a Sub-Engineer, First Grade, of the Public Works Department.

If Government have no objection to this election, I am aware that from the date from which my salary is regulated as a Sub-Engineer, First Grade, I am only entitled to travelling allowance admissible to a subordinate of that grade.
