Military Works

Read the following papers:—

No. 38. From Major H. R. MEAD, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Mangalore, 1st February 1881.

I have the honor to request that an appropriation of Rs. 1,000 may be given for constructing an additional hanging-room for the slaughter-houses at Cannanore. This work is of great importance, and on your visit to Cannanore you directed the work to be put in hand at once and completed this official year.

2. The plan and estimate has to be revised. I will forward them for sanction as soon as practicable.

No. 39-A.

MEMORANDUM.

On inspecting two days ago the works at Cannanore the Brigadier-General Commanding brought under my notice the desirability of at once completing the slaughter-house buildings for the Europeans, which he is most anxious to bring into work from the 1st April. As all the buildings have been long since finished with the exception of a small additional hanging-room for meat, I have taken on myself to authorise the immediate progress of the work as applied for in the annexed letter from the Superintending Engineer, who will submit the revised estimate without delay.

2. I have also directed the Superintending Engineer to fill most of the open windows of the hanging-houses with open tile work, as the sun beats in too much at present.

3. An assignment of Rs. 1,000 will for the present suffice, and I would request Government to confirm my action.

MANGALORE,
1st February 1881.

(Signed) R. H. SANKEY, Colonel, R.E.,
Chief Engineer, P.W.D.

No. 40. ORDER THEREON, 9th February 1881, No. 360 W.

The action of the Chief Engineer is confirmed.

2. An appropriation of Rs. 1,000 is made for the work by transfer from the Reserve under Military Repairs.
