GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

10th February 1881, No. 363 W.

General
Establishment.

Read the following paper:—

No. 43. From F. N. THOROWGOOD, Esq., M. Inst. C.E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 4th February 1881, No. 86 W.

In accordance with the Order of Government, No. 2,751 W., of 30th November 1880, I have the honor to report that I have given the officers of the Steamers *Hobart* and *Salisbury* notice that their services will not be required after 30th April. I should remark, however, that I intend to use one of the steamers for screwing down the moorings for the Harbour.

2. The names of those who have received notice are as follow:—

	S.S. <i>Salisbury</i> .	Appointed
Mr. A. C. Berlie, Commander	...	13th November 1877.
„ R. Palmer, Engineer	...	17th July 1877.

	S.S. <i>Hobart</i> .	
Mr. G. R. Lloyd, Commander	...	1st July 1880.
„ W. Croft, Engineer	...	17th July 1877.

3. I can speak very highly of their services and would beg respectfully to recommend Mr. Berlie and Mr. Lloyd as suitable for the command of a Steam Tug if one is procured for the Harbour, or perhaps for the post of Harbour Master to see after the berthing of the vessels.

4. In the case of Mr. Croft, the Engineer of the *Hobart*, I am happy to state that I have already secured him fresh employment, and he will leave his present appointment this month. If there is any need for a Mechanical Engineer in the Public Works Department at Dowlaiswaram or elsewhere, I would venture strongly to recommend Mr. Palmer of the *Salisbury*.

5. I cannot yet state precisely what crew would be required for working the screwing gear for the moorings, but it is probable that the number at present on the steamer would be sufficient.

No. 44. ORDER THEREON, 10th February 1881, No. 363 W.

Communicated to the Marine Department, with reference to paragraph 3, and to the Superintendent of Works, Godavari District.

2. The Secretary of State having found it impracticable to engage a Foreman Mechanic for the Dowlaiswaram Workshops on the terms offered by this Government, the post will be offered to Mr. Palmer.

3. The terms will be as follow :—

The salary of the appointment will commence at Rs. 200 a month, rising with approved service by yearly increments of Rs. 12-8-0 to a maximum in the fifth year of Rs. 250, to which Rs. 50 per annum will be added at any time within the first two years on the Foreman passing a colloquial examination in Telugu. Free quarters will be provided while employed at the Workshops.

4. Mr. Palmer will be considered to be on probation for six months, at the end of which period, if he gives satisfaction, he will be further engaged on an agreement terminable on six months' notice, except in case of misconduct necessitating dismissal.
