P.S. Sergeant Mr Alister is steady,
trustworthy, active and intelligent and
has given me every satisfaction with
his work since he came to Madura.
The Government Architect also told
me he was well pleased with the
works at the Palace since the Su:
pervisor took charge. Besides the Pa:
lace works, he has now one work in
progress at Madura, and one at
Ammayanayakanur, and he will shortly
have two others at out stations. I there:
fore recommend that the allowance
be granted, if possible. L.B.
