Department for
communication to
the Chief Commis-
sioner, Mysore.

By order,

W. S. Simpson

Under Secy. to Govt. of India.

No. 3648, dated 23rd November 1880.

RESOLUTION,—By the Government of India, Dept. of Finance and Commerce.

The Secretary of State has, repeatedly, objected to the Government of India sanction-
ing, in anticipation of his approval, increases of pay and establishments, grants of Special
Pensions, and measures involving additional expenditure, and has now requested that the
Standing Orders on the subject may be strictly observed in future.

2. It will be therefore out of the power of the Government of India to sanction any
such measures provisionally, except in special emergencies.

3. The President in Council, accordingly, desires that all Departments of the Govern-
ment of India, Local Governments and Administrations and Heads of Departments will
refrain from recommending the sanction, in anticipation of the approval of the Secretary of
State, of any expenditure which requires the sanction of Her Majesty's Government.
Nothing short of urgent necessity will be held to justify any disregard of these orders.
Whenever such urgent necessity occurs, its nature must be precisely explained, together
with the reason why it was not foreseen in time to enable the Government of India to take
the orders of Her Majesty's Government in due course.

ORDERED, that the foregoing Resolution be communicated to all Departments of the
Government of India, Local Governments and Administrations, and Heads of Departments.

To,
The Secretary to the Government of Madras

Public Works department.

*Proceedings of the Madras Government, Public Works Department,
7th January 1867.*

No. 106. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Vizianagrum, 15th December 1866, No. 212:—

1. I have the honor to submit, for the favorable consideration of Government, a claim made by Mr. Sage for some remuneration for duty (extra to the ordinary charge of a range) done in superintending the Workshop.

2. He points out that the Government in Order No. 1,106, 18th April 1864, sanctioned a maximum salary for Workshop Establishment of Rupees 916, but that up to the present time he has only expended at the rate of Rupees 778, leaving available under this head since 1st May 1864 Rupees $(138 \times 33) = 4,554$. During the year 1864-65 a clear profit was shown from the Workshop of Rupees 3,151-15-7, and in 1865-66 of Rupees 5,031-4-3.

3. Mr. Sage asks for an addition to his salary of Rupees 100 per month, but the Government, if they approve of any grant, may prefer to issue it as a per-centage on shown returns, or in some way make the additional pay contingent on the profits. I would suggest 25 per cent. from 1st May 1864, to be issued, of course, on the making up of the accounts, at the close of the year.

No. 107. ORDER THEREON, 7th January 1867, No. 49.

ESTABLISHMENT, No. 6.

1. Looking to the heavy and responsible duties which, apart from, and in addition to those of a Range Officer, devolve upon Mr. Sage in his position of Superintendent of the Dowlaisweram Workshop, and to the circumstance that, since his assumption of that charge, he has not only succeeded in placing the Factory on a footing of efficiency, but has also advantageously worked it with an Establishment* costing considerably less than the amount sanctioned† for it in

* Rupees 778.

† Rupees 916.

the Order of the 18th April 1864, No. 1,106, the Right Honorable the Governor in Council concurs in opinion with the Superintending Engineer of the 1st Division that Mr. Sage has a fair claim to be remunerated for the additional labor which is imposed upon him, and which he has so long and so well performed without compensation.

2. Entertaining this view, His Lordship in Council is of opinion that the proposed remuneration should be in the form of a regular monthly stipend, and he accordingly sanctions the disbursement to Mr. Sage, so long as he may retain charge of the Workshop, of a sum of Rupees 100 per mensem, to be debited to the funds of the Factory.

3. The Government note that, inclusive of the charge now authorized, the cost of the Dowlaisweram Workshop Establishment will be Rupees 456 per annum within the sanctioned amount.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
