To

The Chief Secretary to Government,
Fort St. George.

Sir,

I have the honour to enclose a letter from the Rev. H. A. Williams, Chaplain of Cannanore, dated 6th Jan 1881, No. 72, - together with copies of letters from the Venable Archdeacon Drury, the Executive Engineer, the Assistant Engineer Cannanore, the Quartermaster General, and the Collector of Malabar, - relating to the service from which funds should be obtained for the repair of Cannanore Church and Cemetery. I should be thankful for the ruling of Government on this point, and on the subject generally.

2. By G.O. 7th Oct 1879, No 2522 P.W.D. para 10, ordinary repairs to "civil buildings," involving an outlay not exceeding Rs 1000, were ordered to be performed departmentally; and in G.O. 8th Dec 1879, No 2308, Financial Department, Budget allotments for

I destroyed by 7th Dec 1879, No 2308, Financial Department, Budget allotments for

391-10
This purpose were sanctioned for repairs to Churches, and also to Cemeteries.

3. By G.O. 7th Oct 1880, No 2323 D.P.W., it was ruled that, as heretofore, the repairs to Military Churches should be undertaken by the Department of Public Works. If the classification of Churches given in G.O. 24th April 1874 No 1051, D.P.W. still holds good, I presume that repairs to Cannanore Church, and the other Churches specified as "military" in that list, are to be performed by the Public Works Department, and the cost defrayed under the Budget Estimates of that Department.

4. I should also feel obliged for orders as to the repair of Cemeteries. The Resolution of the Government of India (Madras, 9th Dec^r, 1878, No 281 Eccles. Depart.) seems to contemplate all repairs to Cemeteries, both Civil and Military, being performed by the Department of Public Works. But in G.O. 8th Dec^r 1879, No 2308 (quoted above) allotments are made for the repair of Cemeteries departmentally. I am in doubt as to whether this applies to civil Cemeteries only.

and as whether the G.O. which directs military Churches to be repaired by the Department of Public Works "also applies to military Cemeteries. ~~It would appear~~ It would appear from the classification in Para 3 of G.O. 24 April 1874, No 1051, that Cannanore Cemetery is a civil cemetery.

I have the honour to be

Your most obedient servant,

George Warlow.

Rev. & Dear Sir,

I have the honor to request that you will

the Protestant portion of the Cemetery at
which are under my charge.

The Lord Bishop of the diocese during his

I am frequently breaking into the lime pond

poor condition. The benches require fresh
paving - The pews are falling to pieces.

In the Cemetery the Gate is falling
apart - the chortuary Chapel needs thorough
repair inside & out and the Walls are in
very dirty condition.

Fear that serious injury will happen to
buildings next Christmas if the repairs
not carried out.

Spinned copies of a correspondence of
a conflicting character that I think you
feel the necessity of precise instructions
being issued defining what Department

repairs and for what source the necessary
funds are to be drawn.
