Dated
15-2-81

Madras Harbour.—The proposed fee of Rs. 5 on each vessel either hauled or moored in position, and the proposal to hire a boat when necessary and to employ a Syrang on Rs. 20 per mensem from the proceeds of those fees, approved.

With Order
411 N

GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

4th February 1881, No. 70.

Madras Harbour.

Read the following paper:—

No. 13. From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras,
to the Chief Secretary to Government, dated 20th January 1881, No. 433.

Administrative Department.

I have the honor to forward copy of a letter from the Conservator of the Port, No. 172, dated 19th instant, recommending, in the case of Native craft, the levy of a fee of Rs. (5) five on each vessel either hauled in or moored in position, and proposing from the amount realized to disburse the boat-hire incurred, and to pay a Native Syrang to undertake the duty a monthly salary of Rs. (20) twenty, the balance to be credited to the Port Fund. I beg to solicit the sanction of Government to the above proposals, in anticipation of which the Conservator has been allowed to levy the fee.

ENCLOSURE No. 1.

From T. E. MARSHALL, Esq., Deputy Master Attendant, to the Master Attendant, Administrative Department, dated Madras, 19th January 1881, No. 172.

I have the honor to suggest, under Section 61 of Act XII of 1875, that as the conservancy of Native craft within the Harbour is beginning to prove a service of much trouble and work to this department and to the port boats' crews, Government may be moved to permit the levy of a fee of 5 rupees upon each vessel either hauled or moored in position. Vessels taking up proper positions need not, of course, be charged any fee. The proceeds of these fees to be utilized for the hire of a boat when necessary, and to pay a Native Syrang to undertake the duty a monthly salary of Rs. 20, the balance being carried to the credit of the Port Fund.

No. 14. ORDER THEREON, 4th February 1881, No. 70.

Under Section 61 of the Indian Ports Act of 1875, the Government approve the proposed fee of Rs. (5) five on each vessel either hauled or moored in position.

2. The proposal to hire a boat, when necessary, and to employ a Syrang on Rs. (20) twenty per mensem from the proceeds of those fees, is also approved.

(True Extract.)

H. J. Davis
