No. 1,712.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th November 1880.

Read the following letters:—

From E. F. WEBSTER, Esq., President of the Local Fund Boards, Tanjore, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Vallam, 23rd July 1880, No. 1,017.

With reference to paragraph 3 of the Board's Proceedings, No. 856, of the 25th June 1880, I have the honor to inform you that the amount of Rs. 6,000 which the Treasury Deputy Collector was asked to place at the disposal of the Executive Engineer, Tanjore, does not relate to any particular work or works; but as the Superintending Engineer in his letter of the 20th April last requested that arrangements should be made for placing the Executive Engineers in funds sufficient for the execution of all the Local Fund works in their charge, it was thought that Rs. 6,000 would suffice for May 1880, similar sums being intended to be placed at their disposal monthly on application. The said sum was to be met from the provisions made in the Budget and in the list of incomplete works of 1879-80.

2. With reference to the concluding part of paragraph 3 of the Board's Proceedings, I have to inform you that the proposals already made regarding the execution of Local Fund works by the Public Works Department and Local Fund Boards have not been reconsidered and still remain in force since the reasons which made it advisable to leave in the hands of the Public Works Department all roads in the immediate vicinity of irrigation works have lost none of their force by our having suggested for approval a Local Fund establishment.

3. In addition to the roads on river embankments which were proposed in my office letter,\* No. 1,538, of the 22nd December 1879, to be left with the Public Works Department, the marginally-noted roads also have been left with them. As regards the new works and special repairs sanctioned, the enclosed list will show the only works that are to be carried out by the Public Works Department, the rest being taken charge of by the Local Fund Board's staff. I request, therefore, that the necessary allotment of funds for the works above detailed may be ordered to be placed at the disposal of the Public Works Department as soon as possible.

\* Embodied in G.O., No. 23, dated 5th January 1880.

| † Negapatam Circle. |     |     |     | No. of Miles. | Allotment Rs. |

works above detailed may be ordered to be placed at the disposal of the Public Works Department as soon as possible.

ENCLOSURE No. 1—Statement.

From the same Officer, dated 24th August 1880, No. 1,297.

I HAVE the honor to request that early orders of Government may be obtained on my letter, No. 1,017, dated 23rd July 1880, on the subject of placing the Public Works Department Officers in funds for the execution of Local Fund works left in their charge.

2. In the printed Local Fund Budgets received from the Board of Revenue allotments are provided in favor of Other Agency for all works proposed to be executed, including those entered here as to be executed by the Public Works Department, applications now being received from the Public Works Department for funds, and I therefore request instructions as to how I am to proceed in this matter.

3. To save delay, however, I am asking the Treasury Deputy Collector to furnish the Public Works Department with necessary cheques for the amounts that may be required by them, subject to any adjustments that may hereafter be ordered by the Board and Government.

With the first of the foregoing letters, the President submits a list showing the works in the Tanjore and Negapatam Circles which it is proposed to leave in charge of the Public Works Department and requests that the necessary allotment of funds for these works as well as for certain others mentioned in paragraph 3 of the letter may be ordered to be placed at the disposal of the Public Works Department.

2. In order to simplify matters, the Board have caused a separate list to be prepared in their office showing all the works above referred to arranged according to circles with the necessary information noted opposite to each work. The list contains thirty-nine items, of which the first nineteen appertain to the Tanjore and the rest to the Negapatam Circles.

3. The Board sanction the transfer from Other Agency to the Public Works Department such of the works in the list as appear in the current year's Budgets of the two circles as well as an aggregate allotment of Rs. 33,858 as hereunder particularized and request the Accountant-General to place at the disposal of the Public Works Department Rs. 54,537:—
