GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

18th February 1881, No. 435 W.

Buildings and Roads.  
Military Works.

Read the following paper:—

No. 71. From Lieutenant-Colonel J. BEATTY, R.E., Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 11th February 1881, No. 1,473 T.C.

With reference to G.O., No. 18 W., of 7th ultimo, I have the honor to request you will be good enough to inform me whether I may allow the Rev. J. W. Cassels to have the stone floor of the building he applied for, along with the building, and without payment.

2. It was settled in paragraph 1 of the Government Order that the sale of the stone flooring to the South Indian Railway was to hold good, but the Rev. J. W. Cassels wants the floor, would like to have it on the same conditions as the rest of the building, and the Chief Engineer, South Indian Railway, taking into consideration the charitable purpose to which the building is to be applied, is willing to relinquish his claim on the floor in question, provided he has not to pay for it.

3. The Government Order says nothing about the demolition of the other buildings as ordered in G.O., No. 1,716 W., of the 19th July 1880, but I presume that the demolition of those buildings may be proceeded with as soon as the floors have been removed.

No. 72. ORDER THEREON, 18th February 1881, No. 435 W.

As the building is only lent, and is reclaimable if required for Government purposes, the stone flooring may be allowed to remain.

2. The other buildings may be dismantled as already ordered in G.O., No. 1,716 W., dated 19th July 1880.
