To The Executive Engineer.

Tanjore Division.

Sir.

With reference to your endorsement No. 113 dated Jan 24. 1881, returning to me the travelling contingent bill for Rs 40. An. 14. for the carriage of my horse by rail as inadmissible, I have the honor to refer to section 4 chapter I of the P.W. Code now in force from which I hope you will find that the G.O. No 1838 W dated April 13th 1878, referred to in your endorsement under reply, cannot be considered to be still in force.

I therefore take the liberty of returning my bill for reconsideration.

*Encls. 3

2. With reference to Para 581. Chapter IV of the Public works code, referred to in my former application, I have further the honor to state that, when in Madras I applied personally to the Deputy Chief Engineer, who gave me verbal leave to charge the carriage of my horse and informed me that written permission was unnecessary.

3. As a precedent I beg leave to call your attention to the case of Mr. E. J. Paul, assist. Eng. 2nd grade, who was I believe allowed carriage for one horse when he first joined at Tanjore.

I have the honor to be, Sir,

Your obedient servant.
