Supp Engr's Office 2^d Circle
Coimbatore 9th February/81.

From,

The Supp Engineer

2^d Circle - Coimbatore

To,

The Chief Engineer

P.W. Dept^t Madras.

Sir,

I have the honor to request to be informed if para 1415 P.W. Code which directs that the rent to be paid for Government buildings occupied as dwellings shall be fixed by the Supp Engineer supersedes previous orders for example G.O. N^o 176 dated 23^d February 1875 which lays down Rs 30 a month to be paid by an Assistant Superintendent of Police as house rent, and G.O. N^o 28 dated 4th January 1876 in which Government consider 8 per Cent should be realised by way of rent on residences built or purchased by Government

To

to cover repairs wear and tear in addition to interest on Capital. In the 1st order the rent is deducted from the pay drawn by the occupiers in the 2^d from the value of the building.

2. Should I as Supt Engineer have to fix the rent to be paid by occupiers of Government houses I suppose I am to fix it so as to cover interest on Capital (value of building not cost) at $4\frac{1}{2}$ per Cent in addition to a fair allowance for risks and for the cost of repairs (from 3 to 5 per Cent probably according to the style of the building) and do this of course with no reference to the pay and allowances drawn by the incumbents.

I have the honor to be,
Sir,

Your most obed^t Servant,

 Major R.R.
Supt Eng^r 2^d Circle.
