PUBLIC INSTRUCTION,
MADRAS, 28th January 1881

From

THE DIRECTOR OF PUBLIC INSTRUCTION,
Madras.

To

THE CHIEF SECRETARY TO GOVERNMENT,
Fort Saint George.

Sir,

I have the honor to submit, for the sanction of Government, a plan and estimate, together with specification, from the Superintending Engineer, 3rd Circle, for the reconstruction of the roof of the Government Middle School house at Thindigul, which is reported to be in a dilapidated and dangerous condition.

2. The school house was built about seventeen years ago and from G. O. P. W. O. dated 25th February 1864 No 567, Government will observe that the construction of the building was pronounced faulty within a few months after its completion.

3. The estimated cost of reconstructing the Terrace is Rs 1410, to which should be added Rs 300 for Public Works supervision and Tools and Plant.

4. As the Reserve* provided in the Budget Estimate of the Educational Building Fund for 1881-82 is insufficient to meet the charge in full,

* Rs 1160.
