Read the following paper:—

No. 79. Proceedings of the Madras Government in the Judicial Department, dated 18th February 1881, No. 380.

Read the following letter from the Inspector-General of Police, dated 14th February 1881, No. 924.

I HAVE the honor to request the *early* sanction of Government for the transfer of Rs. 55 from the balance (Rs. 575) available* in the current year's Police Budget allotment for a station-house at Lapatchy, Bellary District, to Kistna, to meet an emergent requirement in the latter, and also to authorise the Accountant-General to place this sum at the disposal of Public Works Department† with a view to the work, (viz., improving the lightning conductor of the Police Powder Magazine at Marulipatam) being carried out by that department in 1880-81. An estimate (Rs. 55) has been sanctioned in this office, the item being within the range of Inspector-General's sanction, and it is proposed to carry out the work through the Public Works Department agency, skilled labor being necessary. The Superintendent of Works, Kistna, intimates that he will finish the work in 1880-81, if early provision is made, and I beg to suggest that sanction, if accorded, be telegraphed to the district for immediate action.

THE proposed transfer is sanctioned, and the Accountant-General authorised to place the amount (Rs. 55) at the disposal of the Public Works Department.

2. The necessary orders will be issued in that department for the *early* execution of the work.
