Madras. 12th February 1881.

To the Chief Secretary to Government.
Fort Saint George

Sir,

I have the honor to submit for the favorable consideration of Government an Estimate, prepared by the Public Works Department, for the repairs of Vellore Church at a cost of Rupees 555.

2. - I also enclose a letter from the Executive Engineer, North Arcot Division dated 25th January 1881, N^o 3352, stating that Vellore Church is classed as a Military Church and that funds for the repairs will be provided for by that Department.

3. - I cannot discover that Vellore Church is classed anywhere as a Military Church. It is not among the Churches specified as Military in G. O. 24th April 1844, N^o 1051, or in the more inclusive list in G. O. 21st April 1877 N^o 93, Ecclesiastical Department. If the Executive Engineer be in error on this point, the funds would have to be drawn in the Civil Department from the allotments for 1880-81 in G. O. 8th December

Put up until 1879, N^o 2308 supposing the work to be completed in the current year.

4. - But, as the allotment for North Arcot is only Rs. 300, and some of this may possibly be already utilized, I would respectfully ask that, if the repairs are sanctioned, provision may be

be made for the necessary funds.

5. - I had detained this application pending a reply to my reference to Government about the Church at Cannanore dated 11th January 1881 No 76; but as the Chaplain of Bellere states that the repairs are urgently needed, I have submitted the application now.

I have the honor to be,
Sir,

Your Most Obedient Servant,

G. Warlow
Acting Archdeacon.
