No. 100. From G. T. WALCH, Esq., Superintendent of Works, Godavari District, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 11th February 1881, No. 3,371.

With reference to G.O., No. 3,050 W., 1st December 1879, and No. 2,226 W., 23rd September 1880, I have the honor to request instructions as to whether the value of the tools to be handed over to Local Funds is to be taken at the "book value" or at a fresh valuation.

2. In one case in this district the Engineer of the Local Fund Circle objects to consider the value of the tools handed over under G.O., No. 3,050 W., 1st December 1879, more than about half that at which they stand in our books, as the tools have all seen considerable service.
